

Essex Beekeepers' Conference 2016

... hosted by Romford Division

Saturday 5th November 2016

9.30am – 4.30pm

'Raising the Standards of Beekeeping Husbandry'

We know there will be practical challenges ahead (small hive beetle, *tropilaelaps*, Japanese hornet), but we can strive to keep our bees strong, healthy, and fit for the challenges by improving our knowledge and husbandry skills.

Let our speakers tell you how. All three are well-known, experienced and entertaining speakers with many years of practical beekeeping to draw on.
