

Epping Forest DVM Report for January 22 2019

Decembers meeting was our Annual Xmas party and AGM. Refreshments were provided by yours truly as usual, and the food was presided over by our president, a band of enthusiastic helpers, he 17and his lady wife (is there any other kind?). It was one of the best Xmas parties we've held and many others thought so too.

January the 17ths meeting, all about successful queen rearing, is after the deadline for this report and will be in the next one.

Other than that it's been very quiet as you'd expect at this time of year.

Meetings:

21st Feb: Looking ahead; practical planning for the season.

21st Mar: The Asian Hornet 2: with Andrew Durham from Cambridge BKA.

18th April: A different method of swarm control.

Members: 166

Acc. Funds: 8054.04
